Fall 2016

What's Happening at Home

The leaves are falling, lawns are decorated with pumpkins and mums, and a crisp coolness greets us in the early mornings. Fall is here, and there are so many wonderful things to do!

Seeds were flying high as we tried our skills for the watermelon seed spitting contest. We learned “there’s no place like home” as everyone watched The Wizard of Oz and enjoyed a party to celebrate 77 years since the release of this classic movie. The lounge was filled with rainbows, “Emerald City” green, and even a yellow brick road.

With “National Talk Like a Pirate Day” on September 19, we turned into pirates complete with hats and eye patches. While snacking on popcorn and golden chocolate treasures, we watched “The Goonies”.

Because everyone loves a happy ending, we went “Under the Sea” for an adventure with The Little Mermaid. We were surrounded by seashells and fish and an octopus too, even a mermaid swam right through!

There are so many more adventures planned for the winter months, there will be no hibernating for us!

May you enjoy this fall season and the beauty of its colors, sights and smells. Take a moment to walk through the crunchy leaves, pick out the perfect pumpkin, and spend time with those you love.

Thanks to the Washington County Public Library, we now have visits from their Bookmobile right here at home! This wonderful “library on wheels” provides us with the opportunity to check out a great selection of media. The lift on the bus makes access very accommodating for us. We are so fortunate to have this in our community.

We would like to thank Andrea Adkins for going above and beyond to make sure our bookmobile visits are fantastic.
