Washington County
Hazard Mitigation Planning Meeting

February 11, 2016 Meeting Minutes

In attendance: Darlene Lukshin, Washington County Community Development
Darren Price, Ohio EMA
Rick Walters, Washington County Commissioner
Ron Feathers, Washington County Commissioner
David White, Washington County Commissioner
Dean Ervin, Ohio EMA
Jeff Lauer, Washington County EMA
Shelly Stormes, Washington County EMA

Dean Ervin educated those in attendance on the process of updating a Hazard Mitigation Plan(HMP). He used a slide show presentation to explain what mitigation is and the different sections that make up a HMP. He stressed the importance of time management with the June 14 deadline and assured us he would assist us any way he can. Darren Price also stated he was available if we needed his help.
