

RESOLUTION NO. 57 (16-17)

A Resolution to adopt the 2016 Multi-Jurisdictional Hazard Mitigation Plan.

WHEREAS, the City of Marietta, Washington County, Ohio recognizes that the City of Marietta is susceptible to natural, technological and man-made hazards; and,

WHEREAS, a significant loss of life and property, historical and economic losses, and threats to public health and safety could result from an occurrence; and,

WHEREAS, the Disaster Mitigation Act of 2000 (DMA 2000) requires communities to develop, adopt and implement a hazard mitigation plan as a prerequisite to receiving federal mitigation funds, and, by that requirement, must update the plan a minimum of every five (5) years; and,

WHEREAS, a cooperative effort is a proven, efficient way to plan for and reduce hazard susceptibility in cooperation with other county departmental municipalities, and citizens, Washington county has completed the 2016 Multi-Jurisdictional Hazard Mitigation Plan; now, therefore:

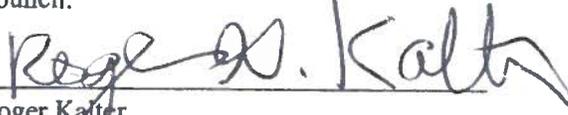

BE IT RESOLVED BY THE COUNCIL OF THE CITY OF MARIETTA,

Section 1: That the Council of the City of Marietta adopt the 2016 Multi-Jurisdictional Hazard Mitigation Plan as the official plan for the City of Marietta, Ohio.

Section 2: That this Resolution shall take effect and be in full force from and after the earliest time allowed by law.

The Board of Commissioners of Washington County, Ohio met in Regular Session on the 23<sup>rd</sup> day of June 2016, with the following members present:

Rick G. Walters, President  
Ronald L. Feathers  
David A. White

Mr. Feathers moved to adopt the following Resolution:

**WHEREAS**, the Board of Commissioners of Washington County, Ohio recognizes that the County is susceptible to natural, technological and man-made hazards; and

**WHEREAS**, significant loss of life and property, historical and economic losses, and threats to public health and safety could result from an occurrence; and

**WHEREAS**, the Disaster Mitigation Act of 2000 (DMA 2000) requires communities to develop, adopt and implement a natural hazard mitigation plan as a prerequisite to receiving federal mitigation funds, and, by that requirement, must update the plan a minimum of every five (5) years; and

**WHEREAS**, a cooperative effort is a proven, efficient way to plan for and reduce hazard susceptibility, and in cooperation with other County departments, municipalities and citizens, Washington County has completed the 2016 Hazard Mitigation Plan.

**NOW, THEREFORE, BE IT RESOLVED**, the Board of Commissioners of Washington County, Ohio, does hereby adopt the 2016 Hazard Mitigation Plan, as presented and with any state or federal required modifications.

Mr. White seconded the motion.

A calling of the roll resulted in the following vote:

WASHINGTON COUNTY COMMISSIONERS

Rick G. Walters, Aye
