## PRESS RELEASE

**TO: ALL PARTIES SUBJECT TO CHILD VISITATION ORDER**  
**FROM: JUDGE TIMOTHY A. WILLIAMS & JUDGE MARK KERENYI**  
**RE: VISITATION DURING COVID-19 PANDEMIC**  
**DATE: MARCH 25, 2020**

---

Please be aware that both the General Division and the Juvenile Division of the Washington County Common Pleas Court recently met and both divisions expect all parties subject to visitation orders to fully comply with their current orders despite the imposition of Ohio Department of Health's Stay at Home Order.

In other words, children shall continue to be exchanged for visits according to the regular schedule followed by the parties prior to the Coronavirus Pandemic unless a true **verified** medical issue involving the child or party to the visitation order makes it unsafe for the visit to occur.

If you have further questions you are advised to contact an attorney.
